1. ABOUT THE COMPANY

NextVision Infotech (NVI) is an ISO 9001:2015 Certified Computer Training, Skill Development, and Internship Institute based in Gaya, Bihar, India, established in 2012. The institute provides quality computer education, professional IT training, industrial training, and internship programs in both Online and Offline modes to students across Bihar, the Northeast, and the rest of India. NVI's training programs cover a wide range of computer and professional courses, including DCA, ADCA, Typing, Tally, MS Office, Programming Languages, Web Development, Software Development, Networking, Hardware, Graphic Design, Digital Skills, and emerging technologies. It also offers Industrial Training and Internship Programs for Polytechnic, BCA, MCA, B.Tech, Civil Engineering, Electrical Engineering, Mechanical Engineering, Computer Science Engineering, Information Technology, and other technical and non-technical disciplines, combining real-world projects, mentorship, and hands-on experience to help students bridge the gap between academic knowledge and industry requirements.

Mission, Vision & Values

Mission: To empower students with quality computer education, practical skills, and real-world learning opportunities that support their professional growth. (Also stated as: to develop skilled, confident, and job-ready professionals who can succeed in today's rapidly evolving technology-driven world.)

Vision: To become a trusted destination for computer education, skill development, and career-focused learning in Bihar – and to be the premier computer education institute in Bihar and Northeast India, recognized for excellence in IT training and student success, bridging the digital divide.

Values: Quality education, practical learning, student success, professional development, community growth, excellence, student-centric focus, innovation, and integrity.

Why Choose NextVision Infotech

- Practical & Hands-On Learning – sessions, assignments, and real-world projects instead of only classroom theory (DCA, ADCA, Tally, Programming, Web Development, Hardware & Networking, and more).
- Industry-Focused Internships – structured internship programs for BCA, MCA, B.Tech, Polytechnic, Civil, Electrical, Mechanical, Computer Science, BA, BSc, and other disciplines.
- Certificates & Career Support – course/internship certificates, resume preparation, interview preparation, and professional profile building.
- Flexible Learning Options – Online and Offline modes for college students, freshers, job seekers, and working professionals.
- Modern computer labs with the latest technology and 100% placement assistance support across Bihar and India.
